Welche Zahl steht für welches Bild?

Ersetze die Bilder durch Zahlen und finde die richtige Lösung.

Achte dabei auf die Punkt-vor-Strich-Regel!

$$41 + 23 = \text{Monkey}$$

$$72 : 9 = \text{Butterfly}$$

$$5 \cdot 5 = \text{Squirrel}$$

$$35 - 28 = \text{Fox}$$

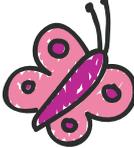

$$40 : 10 = \text{Elephant}$$

$$\text{Monkey} : \text{Butterfly} + \text{Squirrel} - \text{Fox} \cdot \text{Elephant} = \square$$

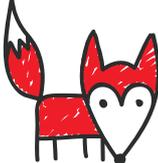

# Mathe Online-Schule

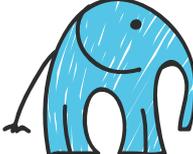

## Lösung

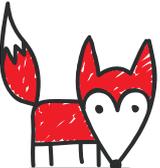

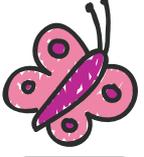

$$41 + 23 = 64$$

$$72 : 9 = 8$$

$$5 \cdot 5 = 25$$

$$35 - 28 = 7$$

$$40 : 10 = 4$$

$$64 : 8 + 25 - 7 \cdot 4 = 5$$

$$64 : 8 + 25 - 7 \cdot 4 = 8 + 25 - 7 \cdot 4 = 8 + 25 - 28 = 33 - 28 = 5$$
